

Children's Conditions of Stay and Booking Form for Australasian Festival 2008

Children are welcome to attend the Australasian Festival, but because of the nature and scale of the event we ask that the following conditions be observed.

[1] Supervision

Children under sixteen years must be accompanied by two adults who will supervise the children throughout their stay. One adult must always supervise the child if the other attends the Teachings. The Festival management cannot at any time accept responsibility for the safety or well-being of children attending the Festival. We regret we are unable to provide childcare facilities.

[2] Restricted Areas

For reasons of safety and to ensure peace and quiet in and around the meditation rooms, certain areas will be out of bounds for children. This applies especially to any areas where building work is still in progress, the kitchens and the area around the Temple or Meditation Room. It will be the responsibility of the accompanying adults to ensure that children are kept out of these areas at all times.

[3] Communal Areas

The accompanying adults are requested to provide especially close supervision in communal areas such as the dining areas, sitting areas, and campsite, and to ensure that children do not disturb others using those areas. We regret that due to the large number of people and the nature of the site, cycling and ball games, etc. are not allowed on the property.

[4] The Temple and Meditation Room

Children may come to the Temple at any time provided a responsible adult accompanies them, and providing they do not disturb or distract people. If a child's behaviour becomes disruptive, the adult will be asked by the stewards to take the child out.

[5] Catering

Because of the large numbers attending the Festival, and the limited facilities available, we regret we cannot cater separately for children.

[6] Accommodation and Price

Please note: Young children cannot be accommodated in Shared Rooms or Basic Dorms. For your comfort and privacy, we recommend camping as the best option for families. Full details of fees and accommodation can be found on the main booking form.

Children aged 2–15 years who are camping or non-resident are charged half price, and there is no charge for those under 2.

[7] Booking

If you are happy to accept these conditions, we are happy to receive your booking. Please complete one Booking Form for each child. Each form should be signed by the two adults who will be accompanying the child. **Please note, each accompanying adult must also complete a main booking form before we can confirm a child's booking.**
